Description

Hartfield is our entry level landscaping grass and great if you are on a budget but still want a product that looks realistic. The blend of 4 colours of yarn make it a really great looking product, especially for this low price.

This is a 22mm total height product that needs no sand dressing due to its, natural, hard wearing pile. Made up of three natural green colours giving the appearance of grass in different states of growth and wear, making it one of the most realistic and natural grass in its price range.

The realistic look of this grass has seen it used extensively for promotional displays, television & stage productions and other large scale events.
